## Adoption Questionnaire

**Adoption requirements:** please initial each line to agree to the terms of adoption:

\_\_\_\_\_ I am 18 years or older.

\_\_\_\_\_ I will keep the cat indoors, provide food and water daily, and veterinary care.

\_\_\_\_\_ I will transport the cat outside my home in a secure carrier and not in my arms.

\_\_\_\_\_ I will not declaw the cat. This is part of our adoption contract. If a cat adopted from us is declawed, we reserve the right to take it back due to breach of contract.

\_\_\_\_\_ I have prepared any children living at my home for the arrival of the pet and will supervise them to ensure the safety of the cat or kitten as well as the child.

\_\_\_\_\_ I agree to keep Friends of Feral Felines as the alternate contact on microchip registrations.

\_\_\_\_\_ If I can no longer care for the cat, I will contact Friends of Feral Felines for directions. The adoption fee will not be returned.
